

## Sarnia-Lambton

### FREQUENTLY ASKED QUESTIONS

**Q: WHAT DO WE NEED TO PARTICIPATE IN THE SESSIONS?**

**A:** Your child will need access to a computer and internet. If you need assistance in this regard, please contact Lisa Lanouette [llanouette@bgcsarnia.com](mailto:llanouette@bgcsarnia.com) and arrangements will be made to provide these for you.

Pre-recorded sessions will be available through our virtual portal and will be hosted by **Google Classroom**. After registration you will receive log-in and password information that will allow you to access these.

Our live virtual programs are held over **Zoom** (no account required to join the sessions). The platform allows for an interactive live experience while keeping your kids safe. We ask that our participants have their audio and video on to allow for group interaction.

You will receive a link prior to the session, along with a password that you will use to join the session.

**Q: WHAT MATERIALS ARE NEEDED TO PARTICIPE?**

**A:** All materials will be provided by the Club, with the exception of small readily available household items. Most crafts will be done using household items ( egg cartons etc)

**Q: CAN I SIGN UP FOR JUST ONE WEEK?**

**A:** For the majority of the programs - No. Programs are designed to build on learning from one week to the next.

Some special programming will be offered for one week only and you will receive notifications regarding these.

**Q: WHAT IF I HAVE A YOUNGER/OLDER CHILD AT HOME?**

**A:** Siblings that don't yet meet the age limit can certainly be present and watch the session too. However, only the child registered will be able to actively take part in the session.

**Reminder: All children participating in Kids Food Nation must have “in-home” supervision.**
